

## Prices

Every front panel is an individual item. The size, selection of material, material thickness, drilled holes and engravings determine the production price. Front Panel Designer gives you full control over costs. You can display the final price at any time during the design process and understand it with the help of the detailed items list. For your orientation we have put together a number of price examples for you.

## Price examples

**Anodized aluminum with engraving**

**Dimensions: 483.00 x 132.50mm**

## Quantity discounts for front panels

quantity	1 – 4 units	5 – 9 units	10–19 units	20–29 units	from 30 units
discount	0%	10%	20%	30%	on request

We are glad to provide information for larger quantities (from 30 units) on request. Quantity discounts apply to front panels which are manufactured from our material. If the material is supplied by the customer, the percentage discounts are halved.

## Special procurement

Special in-fill colors and materials, which are not covered by our range of products, can be provided by us on payment of a surcharge.

### in-fill color

RAL or NCS colors 250ml **€ 49.50 net/**(€ 58.90 gross)

### Powder paint

1.000 gr **€ 49.50 net/**(€ 58.90 gross)

### Material procurement

**€ 20.00 net/** (€ 23.80 gross)

## Production time

The production time for order values of up to 900 euros is normally 5 working days (maximum 8 working days) For larger orders, as well as special procurement, manufacturing may take a little longer. Faster deliveries are available for a surcharge.

<b>delivery time</b>	<b>5-8 working days</b>	<b>3 Arbeitstag</b>	<b>1 working day</b>
<b>surcharge</b>	0%	100%	200%
